PROFILE

Aspiring software developer with a strong foundation in front-end and back-end technologies, passionate about building scalable and user-friendly web applications. Proficient in HTML, CSS, JavaScript, Python, React.js, and Node.js, with hands-on experience in full-stack development. Enthusiastic about problem-solving, collaborating in teams, and staying updated with the latest tech trends. Seeking an internship to apply my skills in a real-world development environment.
